### NOTICE OF PHYSICIAN DISCLOSURE

California Law imposes disclosure requirements for Physicians that have a financial interest in a facility to which they refer patients. In compliance with these laws, please be advised that your doctor may have partial ownership in the surgery center where your surgery is scheduled to be performed. If you have any questions regarding the law, desire confirmation of your physician's ownership, or if you would prefer that your surgery not be performed at Glendale Surgical Center, please let us know so we can provide answers to your questions or, if necessary, make other arrangements for you.

I understand the above and have been given an opportunity to ask questions about my physician's part ownership in this Ambulatory Surgery Center.
